The screenshot displays a software interface for reviewing incidents. At the top, there's a 'Reviews' header with a filter menu showing 'All', 'Asset Damage', 'Fire', 'First-Aid Case', and 'LTI'. Below this, another filter menu shows 'All', 'Incident Reported', and 'On Hold'. The main part of the interface is a table with columns: Incident No., Reported On, Due Date, Over Due Days, Reported By, Incident Date & Time, Nature Of Incident, Shift Supervisor, View, Status, and Action. The table lists several incidents, all with a status of 'Incident Reported'. Each row has a 'Review' button in the 'Action' column. Below the table, a 'Select Action' dialog is shown, featuring a blue checkmark icon and four buttons: 'Not Required' (red), 'On Hold' (yellow), 'Self Investigate' (blue), and 'Delegate Investigation' (green).
